"I joined the MPDMA as a family member because I wanted to put my family's support behind this group's efforts to bring events to downtown Mount Prospect. I love the visiting car show on Saturday nights in the summer as a spectator or a helper, love handing out treats at the fall festival, and my kids had a blast at the new year's party for kids last year."

"The thing I liked the most was being in the loop with downtown happenings via the e-mail blasts that go out. The e-mails also provided information on how to get involved in the community as well as networking opportunities. I will sign up again, just send out the form!"
